Verse 42 of the Tao te Ching, *Lao Tzi* (~550 BCE) writes precisely,
"from 1 comes 2, from 2 comes 3 & from 3 come the 10,000 things",
so 'Quintic' (5) not just 'Quartic' (4) as 1, 10, 100, 1000, 10,000.

Zero-Point Energy actually refers to *everything*.
At any & all scales, the Harmonic Series has *constant rates & ratios*.
Here,16 odd/even harmonics, *demonstrate Phi* φ which functions
universally like an 'AMEN' cadence (Dominant 7th > Tonic) in music.
