

The *IoS* Green List: Britain's top 100 environmentalists

Britain's most successful transport campaigner has come top of the first comprehensive list of the country's most effective greens

◀ 6/100 ▶

Autoplay

6. Aubrey Meyer, Campaigner

This former busker came up with what is widely recognised as the fairest solution to global warming, based on everyone being entitled to emit the same amount of carbon. Pushed it relentlessly until many governments took it up. Now endorsed by Angela Merkel and Nicolas Sarkozy.
